Winchester CPMT
Strategic Plan Outstanding Goals

Strategic Target Area: Common Ground through Education, Training, and Shared Expectations

Goal 1: Develop an orientation program/training program for CPMT, FAPT and Case Managers to address relevant topics, improve skills/identify needs and to create a common understanding of roles and expectations of each level of CSA process. **HIGH**

Champion: Supporting Staff:CPMT

Key Tasks/Activities	Target Dates
1. Identify orientation training material that should be addressed and what is specifically needed for the CPMT, FAPT, and case managers. Determine whether material already exists or needs to be created. If it needs to be created, identify a work group to do so. One Manual should be created for both CPMT and FAPT and added to Winchester Website. Action Items: • Karen Reinhardt and Amber Dopkowski will review materials and will develop a binder for both CPMT and FAPT members. Target date: 12/31/18 • Karen Reinhardt will provide updated binder to Amy Simons for posting the City's CSA webpage. Target date: 1/31/19	1/31/19
2. Implement orientation training for existing members (CPMT, FAPT, Case Managers) Action Items: • CPMT members will announce new case management hires at CPMT meetings to ensure the CSA Coordinator is aware of training needs. • Karen Reinhardt will schedule and hold quarterly new worker CSA Basics training this quarter. • Karen Reinhardt will provide an orientation training to new FAPT and CPMT members prior to their attendance in first meeting. • Karen Reinhardt will schedule an orientation for Celeste Broadstreet before next CPMT.	Ongoing

meeting.	
3. Send out annual survey to case managers, FAPT, CPMT members to develop top training needs	Completed
4. Prioritize Training topics and review with CPMT. Action Items: • Karen Reinhardt will send CPMT Members the results of the Training Topic Survey and ask for input at CPMT February 14, 2019.	12/13/2018
5. CPMT will discuss training needs at its regular meetings month. CPMT wll determine organizations/agencies/providers with appropriate expertise and inquire regarding willingness to provider training. Action Items: • The topic of "Training" will be added to the CPMT regular meeting agenda each month for discussion and planning purposes.	Ongoing
6. Schedule a joint meeting between CPMT and FAPT to discuss roles and responsibilities as a follow up to the training bi-annually. Action Items: • Karen Reinhardt will schedule a joint CPMT and FAPT meeting in June of 2019.	6/30/19

Goal 2: Ensure Appropriate Outcomes for FAPT Process and Purchased Services

Champion: Supporting Staff: CPMT

Key Tasks/Activities	Target Dates
1. Define provider responsibilities. Action Items: • Karen Reinhardt and Mary Zirkle will meet and develop "provider tips" or FAQs for CSA providers.	3/31/19
2. Possible MOU/Statement of Expectations for Providers will be discussed. Action Items: • CPMT will form a subcommittee to review the issue of provider expectations and develop recommendations (applies to #2, #3, #4, #5, #6). Committee membership: Paul Scardino, Mark Gleason, Mary Zirkle	Ongoing
3. Define desired outcomes reporting formats	Ongoing
4. Define specific outcomes to follow	Ongoing
5. Incorporate outcomes reporting into statements of expectations for providers	Ongoing
6. Consider how to structure contracts that enable provider to have time and resources to create desired reports	Ongoing
7. Develop and implement a survey for families and partners to measure if they were satisfied with the FAPT process and the services provided. Action Items: • Karen Reinhardt presented a draft survey at the 11/8/2018 CPMT meeting. • Team would like to make sure survey language is family friendly. • Mary Zirkle will show survey to Parent Support Partner to get feedback and bring back results to Strategic Planning Meeting on 3/14/19.	3/14/19
