## About ArtScape

In 2009, the Shenandoah Arts Council and the Old Town Development Board joined together to launch ArtScape in Old Town Winchester in an effort to celebrate our arts community, to showcase our very talented regional artists and to brighten and enliven Winchester's historic downtown district.

Now in its fifth year, the acclaimed ArtScape in Old Town Winchester presents the new collection of 32 images of quality artwork exhibited the entire length of the Loudoun Street Mall. Artisans, age five to ninety-five, both professional and emerging artists, are invited to participate in the juried annual competition. This year, 25% of the banners are from artisans under the age of 18! It is the only public art project of its kind in the entire Commonwealth of Virginia.

ArtScape in Old Town Winchester is made possible by the sponsors, generous contributions of Winchester businesses, private citizens and the arts community.

## About the Shenandoah Arts Council

The Shenandoah Arts Council is a nonprofit arts organization serving the diverse communities of Winchester, Clarke and Frederick Counties and the Shenandoah Valley by cultivating the visual, performing and literary arts through promotion, instruction and exhibition. Our motto is: Bringing the arts to the people and the people to the arts. [shenarts.org](http://shenarts.org)
