<i>Call to Order</i>	Meeting came to order at 8:15 am.	
<i>Citizen Input</i>	No citizen input.	
<i>Minutes Review</i>	May 2007	The minutes for May 2007 were approved.
<i>Discussion</i>	<p>*** Due to technical issues, Tuesday's Work Session was discussed before the Analysis of Impediments to Fair Housing presentation was given.</p> <p><u>Tuesday's (6/19/2007) Work Session</u> Committee members took about 15 minutes to go around the room and comment on Tuesday's work session. It was recommended by the committee that OHND staff put together a CHDO information sheet for council. Another concern that was brought up by Ron Mislowsky was the CHDO's relation to CRA credits, and how the two can compliment one another. Overall, the committee was very pleased with the presentation and Council's reactions.</p>	Staff will prepare the information and clarification for the committee to review at the next meeting.
<i>Presentation</i>	<p><u>Analysis of Impediments to Fair Housing</u> Rob Gaudin from Western Economic Services shared the final presentation of the Analysis of Impediments to Fair Housing. The presentation took about 30 minutes and was a condensed version of the final document. (The complete document is available for review at the Handley Library, City Hall, the city webpage and OHND. A complete hard copy of the document is available upon request.)</p>	Staff will continue to inform the committee of solutions/actions that will be taken on the findings of this study.
