NEW!

Welcome to our new Swim Lessons University children's swimming program! The criteria for participation in the group levels of the Swim Lessons University curriculum are that the child must be a minimum of three years old and be able to participate as one of a minimum number of four students for thirty minutes. All "Parent and Me" classes require one parent to be present in the water with their child.

Since this program utilizes the Swim Lessons University curriculum, there are standards and guidelines under which we are required to follow. Our instructors are certified to teach the required swimming and non-swimming water safety skills for each skill level. Learn more about Swim Lessons University at www.swimlessonsuniversity.com.

Adopt-A-Tree, Watch it Grow Programs

Trees provide shade on a hot day and help to beautify our city and parks year-round.

Adopt-A-Tree Program

Provide a growing gift of love to celebrate an anniversary, a birthday, and the birth of a new family member or the memory of a loved one by adopting a tree in the City of Winchester.

Plant a Tree, Watch it Grow Campaign

Donated trees are planted twice a year (early spring and late fall). Contributions towards trees are tax-deductible and are administered by the Winchester Parks Foundation, a 501 (c) 3 charitable organization that benefits the Winchester park system. Contributors will be recognized annually during the City of Winchester's Arbor Day Celebration and on the City of Winchester's website.
