

WE NEED YOUR HELP!

Park Ambassador Organizational Meeting

Friday, May 16, 10 am

War Memorial Building, Social Hall

This August 2014, the City of Winchester will host the 10-Year-Old Cal Ripken Babe Ruth World Series. This event will bring visitors from across the country to our city. The Winchester Parks and Recreation Department (WPRD) wants to display the best of Winchester with a focus on transforming Jim Barnett Park into a showplace for this event. With tight budgets and limited staff, WPRD needs all hands on deck to create the masterpiece we have imagined of Jim Barnett Park.

If you have interest, time to spare this summer, are physically able to perform typical light park maintenance duties like trash pick-up, watering, lining ball fields, etc. please attend the Park Ambassador Organizational Meeting. It is also important to note that our needs extend beyond typical maintenance work to include specialized skills such as engineering, masonry, and landscaping, woodworking, etc. We have a loose plan that will be unveiled at the Organizational Meeting.

As a Park Ambassador you would be providing selfless unpaid volunteer work that would at times be thankless. Youth, 20-20 vision, the ability to run a 5K race, and high performance are NOT prerequisites for the Park Ambassador job. Simply, a desire to make Winchester's Jim Barnett Park super awesome for the World Series is all that is necessary. Low-maintenance personalities, positive attitudes and folks that don't take themselves too seriously are encouraged to attend the Organizational Meeting. When possible, Park Ambassadors will be appreciated for your unique qualities. This is an opportunity to be of service to your community.

Anyone interested in becoming a Park Ambassador that is unable to attend the meeting should contact Jennifer Jones by email @ Jennifer.Jones@winchesterva.gov.
