## **Applicant Certification for Permitted Signs**

Permit Number:

Address:

I hereby certify that the permitted sign and its associated electrical to include disconnect, bonding and grounding have been installed in accordance with the applicable electrical and building codes, as well as the approved and issued City of Winchester Zoning approval. It is the responsibility of the contractor to have the City of Winchester approved plans on site for the required final inspections. Any deviations from the above installation criteria that may cause a failure of the sign or its associated components shall be corrected, at no cost to the tenant or the property owner, by the installing contractor and/or the subcontractor(s). This sign certification will be presented to the field inspector at the necessary final inspection to allow the inspector to provide approval.
