**Winchester is home to over 270 acres of park land. Jim Barnett Park features over 170 acres of beautiful green space and amenities, and over 100 acres of park land are located within Winchester's neighborhoods.**

### **Jim Barnett Park**

Spend a day at Jim Barnett Park and enjoy time in solitude or with friends and family. Our main park campus offers a par course fitness trail consisting of 18 exercise stations, paved walking trail with benches and new interactive story walk, playgrounds, and picnic pavilions with charcoal grills. The main park also includes pickleball courts, a fishing lake, athletic fields, a BMX track, and public dog park.

### **Arboretum**

The Arboretum's master plan and first plantings were completed in 2000 and a dedication occurred in 2003. The Arboretum, located between Pleasant Valley Road and Maple Drive in Jim Barnett Park, features approximately 40 species represented in approximately 100 trees. Many of the trees were dedicated and planted in memory of loved ones or in honor of someone. Soon, the Arboretum will focus on native species for educational purposes as well as ecological considerations. In 2024 a pollinator meadow will be seeded in an area of the Arboretum and will eventually be home to native plants that attract pollinators.

### **Abrams Creek Wetlands Preserve**

Immerse yourself in the sights and sounds of nature by visiting Abrams Creek Wetlands Preserve. This 25-acre calcareous muck fen is home to over 300 plant species and 180 kinds of birds. Want to discover why the wetlands are special and learn about the rare plants and animals that live in the Preserve? Listen to the audio tour during your next visit, now available on the park website. Guided tours will be offered April 13, April 27, and May 11.

### **Green Circle Trail**

Pedestrians, runners, and cyclists can safely access major destinations in the city via the Green Circle Trail. The circle connects areas of historic, recreational, educational, and natural interest. Attractions include Glen Burnie Historic House & Gardens/Museum of the Shenandoah Valley, Jim Barnett Park, Shenandoah University, Old Town Winchester, and the Abrams Creek Wetlands Preserve.
