**The DETOUR ROUTE will be instituted during the following times:**

**FRIDAY May 1, 2015 at 3:30 PM** and will remain in effect until the end of the Firefighter's parade at approximately **8:30 PM**

**SATURDAY May 2, 2015 at 8:00 AM** and will remain in effect until end of the parade at approximately **7:00 PM**

**For a detailed map of the Detour Route and Events Overview, travelers may download a copy at the City of Winchester website: [www.winchesterva.gov](http://www.winchesterva.gov)**

The following streets will be used for the **DETOUR ROUTES**:

**PRIMARY (Very Important):**

**All thru traffic approaching the City of Winchester is strongly encouraged to utilize the alternate travel routes of Interstate 81 and VA 37 to bypass the City during the event days of May 1, 2015 to May 2, 2015.** In order to most easily access all primary routes such as **US 11** North and South, **US 50** East and West (Including **US 17** South), **VA 7** East, and **US 522** North and South the **use of Interstate 81 and VA 37 is highly recommended.** Any traffic entering the City of Winchester should expect heavy traffic congestion and potentially lengthy delays throughout the downtown areas. Many streets will be closed to thru traffic and thus may create confusion surrounding normal travel routes including those provided through electronic GPS Navigation Systems.

## **ALTERNATE ROUTE SATURDAY May 2, 2015 DURING THE 10-K RACE**

On Saturday morning **May 2, 2015**, the Shenandoah Apple Blossom Festival 10-K race will be run. Beginning at **8 AM until approximately 10:30 AM**, travelers will have an alternate route leading off of Jubal Early Drive. These alternate travel points will be staffed by traffic control personnel to direct traffic onto the alternate route. This route will be as follows:

Jubal Early Drive	–	Travelers will be diverted onto Harvest Drive on the west side approach into the City of Winchester.
Harvest Drive	–	Jubal Early Drive to Cedar Creek Grade (East or West)
Cedar Creek Grade	–	East – to Weems Lane to S. Loudoun Street to Jubal Early Drive West – to VA 37N to US 50W, US 522N, US 11N, I-81 N or S West – to VA 37S to US 50E, US 522S, VA 7E, I-66E, US 17S, or

Shenandoah Apple Blossom Festival  
Parking Restrictions and Detour Routes  
Media Information 2015

to I-81 N or S

The DETOUR ROUTE will be marked with DETOUR NOTIFICATION SIGNS, DIRECTIONAL ARROWS, and may be staffed with personnel assigned to traffic control.

**WEEKEND IN THE PARK – PARKING RESTRICTIONS**

There will be additional parking provided in the park this year. Handicapped parking will again be located directly in front of the War Memorial Building. The only two entrances for parking in the park will be off Cork Street at Maple Drive and Bridgeforth Drive. Overflow parking will be located at Ohrstrom-Bryant Theatre, the Old Armory, and the Byrd School of Business. No parking will be allowed on the east side of Maple Drive – between Cork Street and Lowry Drive on **SATURDAY May 2, 2015 and SUNDAY May 3, 2015. This is an emergency vehicle access route and strict parking enforcement will be maintained.**

**MIDWAY- RESTRICTIONS**

In accordance with Section 5-15 of the Winchester City Code, the Winchester Police Department is issuing this Public Notice that the applicable restrictions prohibiting animals from entering designated areas on the “Downtown Mall” (which is defined as the area North of Cork St., South of Fairfax Ln., East of Braddock St. and West of Cameron St. inclusive of the named streets) shall be in full force and effect during the upcoming Wine Festival and Apple Blossom Festival. The dates and restrictions are:

**12pm on 5-1-2015 to 6pm 5-2-2015 for the Apple Blossom Festival**

There are some restrictions that apply, for example: service animals or vendors that have obtained written authorization from the Chief of Police. Residents living within the designated area shall be permitted to walk their animals to and from their residence and may be required to show proof of residency while walking their animals through designated areas.
