## Tri-Ball Volleyball Hat Tournament (Ages 18+)

Tri-Ball Volleyball allows 1/3 more players into the game, which adds more strategy and fun to this recreational volleyball(-ish) game. No more waiting to be "rotated in", just divide into three teams and go. A truly unique way to play. Think about how much fun this could be. An entirely new way to think about the game. Up to 18 players all in on the action at the same time. You never know if the ball is coming your way, so be prepared. Set the ball up in the corner and get blockers from all three teams going up at the same time. If you get scored on, don't worry...just "tri" again. We will draw teams from a hat on site.
