We had the pleasure of sitting down and talking with one of our regular racquetball players, Dora Dickerson. Dora is originally from Thailand and moved to the United States in 1971. She lived in California for 22 years before she moved to Northern Virginia. Eight years ago, she moved to Winchester which she considers her home. Dora and her husband have been married for almost 40 years. Their daughter, Rainbow, lives in Ann Arbor, Michigan.

Dora has been playing racquetball as a park member for four years. She tries to play at least four times a week at Jim Barnett Park. She also takes advantage of the fitness room and the indoor pool. She likes to work out after she plays racquetball and tries to swim at least 2-3 times each week. She says the facility is very comfortable and feels like home. Dora said the park staff is wonderful and make her want to come back to the facility again and again. She loves to bring in sweets for the staff "to make their day smoother and to make them smile." Dora is looking forward to learning more about Jim Barnett Park and Winchester in general to familiarize herself with her new hometown.

Dora has many hobbies. She loves to bake and decorate cookies or cakes. She enjoys making crafts and taking them to craft shows. Dora loves to cook Thai food, so look for her to teach Thai cooking classes at Jim Barnett Park in the future. She also loves to travel and would travel all over the world, if she could. Dora would like to revisit California since it was a big part of her life and see everything again. She would also like to visit Thailand again.
