BUDGET

The accounts of the City are organized into funds. Of the City's adopted budget, most of the big spending decisions occur within the General Fund.

General Fund

The fund where the City has the most discretion, the General Fund, has two major sources of funding: general property taxes and other local taxes combined. These two sources make up over 80% of the General Fund budget.

Capital Improvement Plan

Every year, the City adopts a plan for capital improvements for the next five years. Capital Improvements are projects such as construction of roads and public buildings, traffic systems, park improvements, sewers, water infrastructure, etc.

OpenGov Budget Tool

An online interactive budget transparency tool that allows users to explore the current status of City's budget (updated monthly) and checkbook (updated daily).

Budget in Brief

A citizen's guide to the general fund budget. Find it online (Finance).

EMERGENCY MANAGEMENT

(540) 545-4721

Disasters happen anytime and anywhere. When disaster strikes, you may not have much time to respond. Be prepared for disaster before it occurs: www.readyva.gov.

Get Emergency Alerts

Register to receive emergency alerts from the City of Winchester via text, email or phone (mobile or landline). Must enter a 22601 address. OPT-IN to receive non-emergency notices ranging from trash/recycling schedule changes to snow plan activations.

Community Emergency Response Team (CERT)

When emergencies happen, CERT members can assist and support their community by applying techniques learned during training.

Emergency Operations Plan (EOP)

The EOP explains how the City will respond to and recover from disasters and emergency situations.

Mass Sheltering

When a disaster strikes and many residents need shelter, Emergency Management and Social Services staff work together to provide this service. Pet sheltering is also available when needed.

REDUCE & REUSE, THEN RECYCLE

Michael Recycle encourages residents to reduce the amount of non-recyclable materials used, reuse when possible and follow recycling requirements to reduce waste.

Ways to reduce waste:

- Ditch plastic bags
- Eliminate single use
- Start using reusable containers
- Cancel unnecessary mail
- Stop using disposable everything
- Learn to repair
- Make a meal plan to reduce food waste
 - Use rechargeable batteries
 - Start composting
 - Stop buying plastic water bottles
