## **Applicant Certification for Permitted Wall Signs**

**PERMIT NUMBER** \_\_\_\_\_

I hereby certify that the permitted building wall sign and its associated electrical components have been installed in accordance with the applicable building and electrical codes, as well as the approved and issued City of Winchester Zoning approval. It is the responsibility of the contractor to have the City of Winchester approved plans on site for the required final inspections. Any deviations from the above installation criteria that may cause a failure of the sign or its associated components shall be corrected, at no cost to the tenant or the property owner, by the installing contractor and/or the subcontractor(s). This sign certification will be presented to the field inspector at the necessary final inspection to allow the inspector to provide approval.
